

Connect. Collaborate. Transform.

CEE SWISS IT-SOLUTIONS & TALENT SUMMIT 2024

Date: 2 December 2024

Location: Kraftwerk @Impact Hub Zürich

Empower your business with solutions tailored to Swiss industry needs at the CEE Swiss IT Solutions & Talent Summit 2024, organized by the non-profit Chamber of Commerce Switzerland Central Europe (SEC). Connect with a carefully selected group of top IT leaders from Central Eastern Europe to tackle your current technology challenges.

Focus Areas: AI, Cyber Security and Data Science – fields critical for Swiss companies to stay ahead in a rapidly evolving landscape.

Who should attend: CEOs, IT specialists, and decision makers from large companies, SMEs, to Start-Ups and Scale-Ups.

PROGRAM HIGHLIGHTS

- **Keynote Presentations & Panel Discussions:** Gain insights from industry leaders on essential IT trends in AI, Cyber Security, and Data Science, and more for Swiss businesses.
- **Tech Solutions Demonstrations:** Explore live demos of cutting-edge technologies with applications directly relevant to Swiss market conditions.
- **B2B Meetings:** Tackle your tech and talent challenges in one-on-one speed meetings with up to 25 CEE IT leaders, facilitated by B2Match, where you control meeting selections for productive connections.
- **Networking Opportunities:** Connect with experts, peers, and potential partners over coffee, lunch and Apéro Rich.

WHY ATTEND

The representatives of Swiss businesses will:

- **Access top IT talent** from CEE to bridge critical skill gaps.
- **Discover innovative IT solutions** tailored to specific needs.
- **Gain cutting-edge insights** in AI, cybersecurity, and data science to inspire strategy.
- **Kickstart partnerships** with CEE tech providers for lasting collaboration and growth.
